

CREDIT CARDS AND ACH WITHDRAWAL

The Town of Owensville is now accepting credit card payment as well as automatic withdrawal for utility payments. The credit card payments will incur fees, while the ACH automatic withdrawal will not. We are very excited to offer these new services.

COMPOST YARD OPEN TO TOWN RESIDENTS ONLY

The Town of Owensville also offers another service to its residents. That service is the compost yard. The compost yard is open Monday – Friday from 7:30am until 3:30pm and is located just west of the new building at the sewer plant. Yard waste is the only thing that is allowed at this site. If compost is delivered in bags, please remove compost from the bags and take the bags with you; do not leave them at the compost site, as this site is for naturally decomposing items only. This site is for Town Residents only.

WEEDS/GRASS ORDINANCES

The Town would like to remind all residents about the weed and grass ordinances. All lawns must be mowed. Properties that have grass or weeds in excess of 10” are in violation of the ordinance and will be posted as a violator. Also, property owners should not blow grass into the streets. This causes the storm sewers to backup during rain events, which in turn can cause the residents in the area problems, please be aware of the situation and try to prevent the problem.

LEASH LAW

If you are a pet owner, please keep your pets on a leash or in your own yard. The Town does enforce the leash law and violators will be fined.

ORDINANCES

All ordinances are on file at the Town Hall, Library, and online at www.owensville.org. All questions can be directed to the Owensville Town Hall at 724-4151.
